MAULDS MEABURN SHELTER.....

Many of you will no doubt have heard, that sadly on Sunday 20th June, Kitty's basket and preserves complete with money jar and Katie's Cards' money jar were stolen from the shelter. As you know the shelter has become the 'hub' of the local community as well as a pleasing sight to visitors, where people can pick up their newspaper, get a book, find out what is 'going on ' locally and in more recent times, during lockdown has provided a source of assistance whilst at the same time supporting local people and small businesses. For years the 'honesty' system has not been abused and shows the strong values we hold as a community and indeed what makes us so special. It would seem that on Sunday some individuals 'passing through' and perhaps unappreciative of those values decided to take what was not theirs. This was such a sad end to the day after it had begun with a tray of treats to celebrate Fathers' Day.

So whilst Katie's cards remain, Kitty's basket has not been replaced but her jams and preserves are still available from the box outside Midtown Farm and by contacting her directly. Kitty would also urge you to look out for her wicker basket when out walking locally in case it has been just 'dumped' as she would very much like it back.

Whilst part of us might feel that this was something bound to happen sooner or later, it does pose the question as to whether I should strip the shelter bare and let this 'one off' incident spoil what it stands for, or should it continue as before, promoting the values we all hold. I prefer the latter and with that in mind please note a new addition.....small bottles of locally pressed apple juice available at £1.50 each, money to be placed in the honesty jar.

NEWS FROM CROSBY RAVENSWORTH C OF E SCHOOL

We begin this month with the fantastic news that just under £1000 was raised from our sponsored walk back in May, which has been shared between the Great North Air Ambulance and school funds. Well done once again to all of the children with their walking legs and their kind sponsors.

Following on from last month's 'Sound Walk' together with Cumbrian sound artist, Dan Fox, the children have made a piece of music recorded entirely from the natural sounds collected on the walk. Examples included the flowing of the river, birdsong and the rush of the wind through the trees. One of the children sang 'the hills are alive' in church and this formed the centrepiece of the composition. Another child improvised a drum beat using a road sign. We are most grateful to the Westmorland Dales for funding this project which was thoroughly enjoyed by the children, words such as 'terrific' and 'the most relaxing thing I have ever done' being just some of their reactions. The recording can be heard both from our school's facebook page and website.

The childrens' swimming lessons have also been enjoyed and the teachers have been most impressed with the progress made across all ages.

So here we are in July and fast approaching the end of the summer term and the summer holidays. End of year reports are being written, the children are designing a badge for their team on Sports Day (hoping that theirs will be the winning design) and of course there is the Leavers' Service when our thoughts will be with William and Daniel who are moving on to secondary school. We wish William and Daniel all the best in their new schools and know that with their 'Crosby training and values' they will confidently go on to make new friends and learn new things.

Once again these important events in the school calendar, sadly cannot be the usual community events we like to make them, due to the recent increase in Covid cases and the Delta variant but we all must stay safe.

An afternoon of outdoor action packed activities has also been organised for the children with 'Action Ants'. The children will tackle the junior warrior obstacle course which includes a slip & slide mat and inflatable kayak. Dodgeball games will also take place. So with water fun guaranteed we anticipate a need for change of clothes and towels!! Parents have been advised!!

Our Breakfast and After school clubs continue to provide wrap around care from 8am to 5pm, with activities such as athletics, razzamatazz, gardening, football and summer crafts. With us now being in the summer term, and looking ahead to the new school year, we have already had some enquiries for nursery places in school, and we'd encourage anyone who wants to know more about the possibilities to get in touch, by ringing us on 01931 715265.

On the subject of our School Governors we are pleased to say that our numbers have increased with the appointment of three more. We welcome Barbara Wallis, Karen Winder and Katie Metcalf to the team. They each have their own important skills to bring to the Governing Body and we look forward to the contributions we know they will make.

We are however in need of a new clerk to the Governors. The post is initially for 100 hours per school year to cover 9 meetings plus additional governance duties and is a paid position. It is a great opportunity to be involved with school. Full details and a job description can be found on the school website. Please share this job opportunity with anyone who you think might be interested. The closing date is Tuesday 6th July.

SO UNTIL SEPTEMBER, AND THE START OF A NEW SCHOOL YEAR.....GOOD LUCK to William and Daniel and to the children, staff and members of the wider community, enjoy the summer holidays. HAVE FUN AND STAY SAFE.
